

MARK NIÑO C. URSAL

COMPUTER SCIENCE STUDENT

PROFESSIONAL SUMMARY

I'm a passionate 3rd Year College Computer Science student from Ateneo De Davao University in the Philippines, with a keen interest in software development, problem-solving, and building meaningful projects. I enjoy learning new technologies, including web designing, and constantly improving my skills to create efficient and innovative solutions.

EXPERIENCE

Website Developer | Major Subject Project

MMML Recruitment Services Website — 2024

- Built a recruitment platform to simplify the hiring process and client applications.
- Developed both the frontend (React.js) and backend (Node.js/Express), with a MySQL database.
- Collaborated with peers to plan and implement user-friendly workflows and features.
- Applied real-world web development skills in a structured academic setting.

Personal Website |

Self-initiated Project — 2024

- Designed and built a personal website to showcase projects, skills, and contact info.
- Used React.js and Tailwind CSS with deployment on Vercel.
- Practiced responsive design, UI/UX, and GitHub version control.
